

The TNNLU Library Support Programme for Alumni Pursuing a Career in Litigation

The programme is committed to extend library support to TNNLU graduates who pursue a career in litigation. The University believes that the first few years of a career in litigation are tough and fresh graduates may require many-faceted support. Providing access to online resources that TNNLU subscribes to at any point of time is one such support extended in appreciation of the fact that not all of them would be associated with chambers that could afford online resources.

Guidelines

- 1) The programme is open to TNNLU graduates only who pursue a career in litigation.
