# Vivatam 2018 :Intra University Debate Competition

The Debating Club, successfully organised the Second Intra-University Debate Competition of TNNLU 'Vivatam 18' on 27th and 28th of October 2018. The competition featured conventional style of British parliamentary debating with regular adjudicators along with cash prize for the winners.

The competition was an opportunity for the students who have been curious about debating to try their hand at it with the excitement of a tournament but without the pressure of doing it in an Inter-University Debate.

After two days of intense debating, the results were as follows :

Winners-      Aadhith S and Anurathna M

Runners up-   Sharanya Kanchibile and Nivea SR

Best Speaker- Anurathna M
